

# Beginners Conversational Indonesian

(6 sessions @ 3 hours)

## **Program objectives**

This program has 3 immediate objectives:

1. To enable you to pronounce and to read Indonesian words correctly.
2. To enable you to master conversational social Indonesian and develop effective communication skills with your friends, clients and associates in Indonesia.
3. To understand basic grammars and sentence structures.

## **About the program**

The program will be focused on interactive learning to master basic conversational Indonesian. All of the lessons will be based on various daily scenarios where you get a chance to do role-playing exercises to give you an opportunity to apply what you have learnt.

## **Sample topics to be covered**

1. Introductions
  - Daily greetings
  - Key self-introductory phrases
  - Alphabets, numbers, days, time
2. At the Airport
  - Small talks, making conversations
  - Pronouns
3. At the Hotel
  - Reserving a room
  - Question words
4. Visiting Clients in Indonesia
  - Small talks at the office, exchanging name cards
  - Sentence structure
5. Ordering Food and Drinks
  - Reserving a table
  - Favorite food, drinks, fruits, vegetables

### **Next Step**

Upon completion of this course, you can opt to continue in group to the next stage (Intermediate Indonesian) where you can learn more in-depth about Indonesian grammar and verbs (prefixes, suffixes, etc.). More complex texts and newspaper articles will be introduced as well. Alternatively, you may continue in private to address your specific needs (banking/finance, real estate, insurance terms, etc.). We will tailor the syllabus and lessons according to your line of works.

### **About Us**

Learn Indonesian Asia Pte. Ltd. has been coaching conversational, business Indonesian and Malay to corporate clients since 2004. Our anchor clients include Public Services Department, Milbank Tweed Hadley & McCloy, White & Case LLP, MINDEF, Singapore Cancer Foundation, and many other local and foreign companies. We have been playing a helpful and useful role as Indonesian and Malay trainers, official translators and in-house interpreters. References are available upon request.
